

INSTITUTE FOR SYSTEM CHANGE

Introductory course on Gender and Intersectionality

WELCOME!

By Institute for System Change

Course facilitators: Dr Swathi SB (she/her) and Ritash (they/them)

24/01/2025

Introductory course on Gender and Intersectionality

Aims of the course

- Introduce the concepts of gender and intersectionality in the larger context of our society
 - Facilitate learners to critically examine and uncover how these structures impact people at individual and systemic levels to create inequalities and inequities
 - Facilitate the learners to develop a critical and intersectional feminist approach to their research and worldview
-

Course outline - 4 modules

01

Sex, gender, gender identity, and sexuality - concepts

02

Patriarchy, power and intersectionality

03

Gender and intersectionality in daily life - at individual level
and systemic level

04

Applying intersectional feminist lens

Format

- Each module - 1 live session, essential readings/resources and suggested resources to engage
 - Discussion and sharing based learning
 - Short assignments
 - Discussion forum and LMS platform
 - Certification - minimum 4 out of 5 live sessions participation and 2 out of 3 assignments submission
 - Future plan to bring out in local languages
-

Schedule - 5 live sessions - Friday 6:30 - 8:00 pm IST
